First-team selections in bold

Academic All-America Hall of Fame • Joe Holland '78

Joe Holland '78, one of the great players in Cornell football history, was inducted into the CoSIDA Academic All-America Hall of Fame in 1991. The two-time academic All-American ran for nearly 1,400 yards as a senior. At that time, only legendary Cornellian Ed Marinaro had rushed for more. The College Sports Information Directors of America (CoSIDA) had Holland give the keynote address at the 2003 convention in Cleveland. The son of fellow Cornell Athletic Hall of Famer Jerome "Brud" Holland, Joe Holland was a third team All-American in 1978.
